PGX MB6 PUTTER

34" Right Hand Putter Mens Standard w/ HC 12879

SiTE 1 PUTTER

34"	Right Hand Putter w/ HC	12166
34"	Left Hand Putter w/ HC	12167

The SiTE 1 features a classic blade head with a long hosel to house the shaft. This classic style breeds fearlessness on the greens and encourages you to quit leaving those birdie putts short.

Warning: this putter may cause more one putts and grumpy competitors.

SiTE 3 PUTTER

34"	Right Hand Putter w/ HC	12306
-----	-------------------------	-------

Warning: this putter may cause an improved putting game resulting in more one putts and lower scores.

The Site 3 putter features a balanced weight helping you feel more confident during your putting stroke. The black and white color scheme found in all of our Site putters make it visually appealing to look at and to help align your putts.

SiTE 2 PUTTER

34"	Right Hand Putter w/ HC	12168
34"	Left Hand Putter w/ HC	12169

The SiTE 2 features a half mallet head, fitted with a center shaft. This enhances stability and allows you to swing the club on line more easily.

Warning: this putter may cause lower scores and a sense of accomplishment.

SiTE 4 PUTTER

34"	Right Hand Putter w/ HC	12358
-----	-------------------------	-------

High contrast black and white design means you'll know with certainty whether or not you have achieved a straight back, straight through stroke every time.
